

Reactor is committed to a policy of full transparency and to making the information about our sources of funding publicly available. This document contains a detailed description of all project and institutional funding that Reactor has received since 2010, including who provided the funding, how much funding was provided, as well what projects the funding was awarded for, including their planned duration. Please note that funding is listed based on the date when the grant contract was signed. This document is regularly updated to reflect new sources of funding. The last update of this document was made on JUL 19th 2021.
